It has come to our attention that the Facebook page of Maisug Mindanao posted surveys allegedly conducted by Pulse Asia Research in Cagayan de Oro (April 16-26, 2025), Davao City (April 26-May 6, 2025) Davao de Oro (April 26-May 6, 2025), Davao del Norte (April 26-May 6, 2025), and Davao Oriental (April 26-May 6, 2025). The results of these purported surveys have been circulating on other social media pages and reported by local newspapers.

We wish to clarify that **Pulse Asia Research did not conduct** any of these surveys.

Since our founding in 1999, Pulse Asia has upheld the highest professional standards in conducting surveys and research. We strongly denounce any unauthorized use of our name to disseminate false or misleading information.
